THE MAGIC ERASER

Valentina Gómez Castaño - Lollipop (3°B)

Not a long time ago, in a place named Magicville lived a girl, the only ordinary girl there, her name was Elane. She always felt lonely, nobody wanted to be with her except her best friend Caroline.

One day Elane noticed she didn't have her eraser, she looked everywhere; up, down, left and right but she didn't find it, she went home very sad.

When she was walking home she felt something hit her head, she looked up and saw an eraser, she picked it up and went home.

The next morning at school she made a mistake on a test she erased it, she looked back and she didn't see her quiz, then she tried erasing her desk and it worked. In her school there was a bully that picked on everyone.

When the bully wasn't looking she started erasing him and in one second he was gone, everybody cheered and thanked Elane. From that day on, she was the most popular kid of the school and she liked it.
