IS KATTY THE UGLY WORM?

Once upon a time in W Land there was a worm named Katty. Katty was sad because all the other worms laughed at her because she was ugly and grey, meanwhile, the other worms were colorful, so one day Katty decided to go far, far away. She walked, walked and walked with her best friend named Jane.

Later, they arrived to B Land, and they went to a hotel named THE EXCLUSIVE DELUX ROYAL HOTEL. When they were around the park of the hotel, Katty saw a wonderful butterfly that had all the colors, so she asked Jane if she could ask the butterfly what her name was. Jane said, "Hi, my name is Jane, and this is my best friend Katty. She wants to know what your name is because she thinks she has seen you before", and the butterfly answered, "My name is Gisel, and yes I have seen her before. She is my cousin from W Land.

Gisel told Katty, "I heard that every worm in W Land laughs at you, but look, you're not the prettiest worm ever, but you have a lovely side, and that side is your personality which makes you a special worm. So Jane and Katty ran again to W Land to tell everyone what Gisel had said. Now everybody in W Land respects Katty.

Do you want to know who Katty is? Well, really I am Katty; my real name is Angy, and this is my story!!!
