### THE MYSTERY

Hi, my name is Jason. I like to solve mysteries, and I am working on one right now. In the news, they said that every night a little girl cries, and when she cries, it rains harder and harder every time. They also said that this happens in a very dark cave, so I'm trying to find her, and am also trying to know what has happened to that little girl. I am going to call my friends, "Sally and Bob, can you come here please?" "Sure" they said.

"Let's go now." "Wow! This is scary", said Sally. "It's so dark". "What are you doing here?" asked a voice. "Hello? Did someone say something?" "Yes, this is my cave, not yours. I died here". "Can you come here please?" said Bob. "Go away now", said the voice. "I just want to see you", said Bob, and so she came out. "Hey, why is your face covered?" "What do you want?" asked the voice. "We just want to see your face". "Just tell me what you want". "Why do you cry every night?" "Because I feel lonely", said the voice. "Well, do not worry. We will be your friends. "OOOOOh, thank you".
